Brown Brothers Racing Team

Brown Brothers Racing Team is a family team from Crandon, Wisconsin. We have 8 riders in total this 2019-2020 season. The team was previously Brown Racing until additional family members wanted to race also. The team members Joseph and Janice Brown are the eldest members of the team, and previously raced the Great Lakes Snocross before becoming members of the Great Northern Snocross Series. The team's managers are Joseph and Agnes Brown and Co-Managers Jason Brown and Mary Shock to.

Team Members are:

553 Janiece Brown- Janiece is our Pro-Am Women and Sport Lite rider for the team. Janiece has been racing since was 7 yrs. old. Her first race ever was in Lakewood, Wisconsin at the King of the Hill race, she rode the 120 Champ class and the 120 Stock class. The speed is what got her, and she was hooked for life. The bonus was she took a 3rd in the 120 Champ class and there was no turning back. We met people at the races in Lakewood and introduced us to the Winter Thunder Challenge Series/GLX in Wauconda, Illinois and soon started racing the circuit. It was a long ride (6 hours each way) but to spend time with family was worth the travels. Janiece is now taking a new adventure to her racing this year, she will be riding the Snow bike class for Nationals and she is very excited. Janiece is 19 yrs. old and rides Arctic Cat for Pro Am Women's and Yamaha for snow bike. This year Janiece has 2 new sponsors, Klim and Airhead Designs.
